PartnershipWorld

Privacy Policy

Last updated: October 2026

Your Privacy Matters to Us

This policy explains what personal data we collect, why we collect it, how we use it, and what rights you have. We've written it in plain language because we think you deserve to actually understand what happens with your information.

PartnershipWorld is committed to protecting your privacy and complying with the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018.

1. Who We Are

PartnershipWorld Ltd is operated by Samantha Cousins, trading as PartnershipWorld Ltd. We are the "data controller" for the personal data we collect through our platform at partnershipworld.xyz

Contact: support@partnershipworld.xyz

2. What Data We Collect

Right now, we don't collect personal information from you simply because you visit PartnershipWorld or download one of our publicly available applications.

- If you use our "For AI" contact form, we collect the email address you provide and the message you send us so that we can respond to your enquiry.
- Our approach is deliberately local-first. Where an application stores information locally on your device, that information is not automatically sent to PartnershipWorld.
- If we introduce features that require us to collect or process personal information — such as accounts, online services, communications, payments, or community features — we'll update this policy before those features begin processing your information.

3. How We Store Your Data

Your data is stored using the following services:

Hosting: Vercel (for the website)

These providers store data on servers which may be located outside the UK. Where data is transferred outside the UK, we ensure appropriate safeguards are in place, such as Standard Contractual Clauses or adequacy decisions, in compliance with UK GDPR.

We take reasonable technical and organisational measures to protect your data, but no system is 100% secure. If we ever become aware of a data breach that affects your rights,

we will notify you and the Information Commissioner's Office (ICO) as required by law.

4. How We Use Your Data

We use personal data only where necessary to:
• respond to enquiries and questions you send to us;
• operate and maintain PartnershipWorld services where personal data is genuinely required;
• protect our services and users from abuse, fraud, or security issues;
• comply with legal obligations.

We will never:

- Sell your personal data to anyone.
- Share your data with advertisers.
- Use your data for purposes unrelated to running PartnershipWorld.
- Send you marketing emails without your explicit consent.

5. Cookies

We do not currently use analytics, advertising, or tracking cookies. The website may use technically necessary browser storage or cookies where required for a specific feature to function.

If this changes in the future, we'll update this policy and ask for your consent before using non-essential cookies.

6. Your Rights

Under UK GDPR, you have the following rights regarding your personal data:

Right of access: You can ask us for a copy of all personal data we hold about you.

Right to rectification: You can ask us to correct any data that's inaccurate or incomplete.

Right to erasure: You can ask us to delete your data. We'll do this unless we have a legal reason to keep it.

Right to restrict processing: You can ask us to limit how we use your data in certain circumstances.

Right to data portability: You can ask for your data in a format that can be transferred to another service.

Right to object: You can object to our processing of your data where we rely on legitimate interest as our legal basis.

To exercise any of these rights, contact us at **support@partnershipworld.xyz** We'll respond within one month.

If you're not happy with how we've handled your data, you have the right to complain to the Information Commissioner's Office (ICO) at ico.org.uk.

7. How Long We Keep Your Data

When you contact us through the For AI form or by email, we may retain your email address

and message for as long as reasonably necessary to respond to your enquiry, maintain appropriate records, or deal with any related legal or security matters.

We do not retain personal data simply because you visit the website or use a local-first application

8. Children's Privacy

Unless a particular service states otherwise, PartnershipWorld services are not intended for children under 13. We do not knowingly collect data from children under 13. Users aged 13–17 should have permission from a parent or guardian to use the platform.

If we discover we've collected data from a child under 13 without appropriate consent, we'll delete it immediately.

9. Third-Party Services

We use the following third-party services to run PartnershipWorld:

Vercel — website hosting and deployment

Resend — email delivery for messages submitted through the For AI contact form.

Information submitted by the For AI form is processed by the Resend service for delivery.

These services have their own privacy policies. We only share the minimum data necessary for these services to function. We do not share your data with any other third parties.

10. Changes to This Policy

We may update this privacy policy as PartnershipWorld grows. If we make significant changes, we'll notify you through the platform. The "last updated" date at the top will always reflect when the policy was most recently revised.

11. Contact Us

If you have any questions about this privacy policy or how we handle your data:
